

# ECLIPSE<sup>TM</sup> MAX

Eclipse<sup>TM</sup> MAX takes professional-grade shelter to the next level with an open-ceiling design that enhances interior space & comfort. StormRod<sup>TM</sup> technology reinforces the canopy top to resist buckling in tough weather, ensuring your canopy stays secure in tough conditions. Built on the trusted Eclipse<sup>TM</sup> platform, the MAX version delivers the same proven reliability with upgraded comfort & enhanced structural strength—making it the ideal choice for professionals who work through every season.

## ***ELEVATED COMFORT & PROTECTION***

Pro-Level Performance for All Conditions

### **FEATURES**

- **Wide Open Interior**  
Eliminates cross-bracing to provide a spacious feel.
- **StormRod<sup>TM</sup> Reinforcements**  
Deflect wind, rain, & snow for reliable performance in unpredictable weather.
- **DualCore<sup>TM</sup> Reinforced Frame**  
High Strength 1015 Steel with internal leg reinforcements.
- **Weather-Resistant Fabric**  
Provides long-lasting weather resistance.
- **E-Z Glide<sup>TM</sup> Leg Adjusters**  
Engineered with debris drainage channels to slide easily in sand, dirt, or gravel.
- **Impact Resistant Components**  
Maintain strength & integrity in tough field conditions.
- **No-Pinch E-Z Lock & Release Corners**  
Fast, safe setup and takedown.
